## Producers

**The Harlem in Havana Project** - Winner of the “Uncovering History Award” by Dancinema

**The Harlem in Havana Project** is a multimedia documentary created by Leslie Cunningham featuring film, books, exhibits, and live events that celebrate the artistry, cultural impact, and resilience of Harlem in Havana, the Black and Cuban traveling show that broke racial barriers during the Jim Crow era—and Leon Claxton, the visionary African American showman who made it possible.

**Metro Cabaret Club** - Founded by Aquarius Moon, **Metro Cabaret Club** is a premier production house responsible for some of Washington, D.C.'s most sought-after burlesque shows.
